ABOUT SFIMAR

St. Francis Institute of Management & Research (SFIMAR) was established in 2002 by “The Society of the Congregation of Franciscan Brothers”, to impart quality education in the field of Business Management. It is recognized by AICTE, New Delhi and has been granted permanent affiliation by University of Mumbai.

SFIMAR is an ISO 9001:2015 Certified Institute and also recognized under Section 2 (f) & 12 (B) of UGC Act 1956. The courses conducted at SFIMAR are two-year full-time MMS Program of the University of Mumbai, an autonomous program PGDM - approved & recognized by AICTE, New Delhi and DTE, Government of Maharashtra and three year Part-Time MMS (Marketing/Financial Management) Degree Program. All these courses are conducted in the state -of- art infrastructure in a lively environment. A core team of experienced and qualified faculty, bear the responsibility to impart knowledge to aspiring students at SFIMAR. A right blend of corporate and Academia from various sector, are invited to professionally train our students. Interaction with eminent personalities in their respective field is a continuous activity at the Institute. SFIMAR is also actively involved in various social activities, corporate social responsibilities (CSR) and institute social responsibility (ISR) initiative through which it contributes in empowering the society.

SFIMAR: VISION

To flourish as a seat of learning of international standards for developing an entrepreneurial class of value- based industrial leaders empowered with techno-managerial competence to sustain innovation for building global business of the future

SFIMAR: MISSION

To enter the realm of globally successful B-schools by imparting value-based education for creating responsible and thoughtful citizens who would lead the world by example and excel through innovation, an entrepreneurial spirit and a humanitarian attitude.

SFIMAR: QUALITY POLICY

SFIMAR is committed to the endeavour of transforming students into Global Leaders by continual improvement in its services through a student centric approach, innovations in our pedagogy and rigorous selection, development and upgradation of its faculty while meeting the regulatory & Statutory requirements.

From the Desk of the **CHAIRMAN**

Bro. Alphonse Nesamony
Chairman, SFIMAR

It is a matter of great joy in spite of the recent border turmoil and pandemic covid-19; India is determined to become 'Self Reliant' to propel India to the forefront as the PRIMARY source of meeting all global needs and requirements through innovative ideas and research. Since the Month of March 2020 shows the rise in creativity, innovations, and preparedness of People, Industry, Scientists, Researchers and Student-Researchers who have laboured to manufacture adequate Personal Protective Equipment, N95 mask and ventilators etc. We have witnessed thousands of Corona Warriors who have selflessly served day & night to save lives even at the extent of risking their own lives. In spite of all turmoil and fear; India is bouncing back stronger than ever to become a global economy and spiritual power house. Now we have a 'New Education Policy' which will be a road map for all of us to make India 'Atmanirbhar'.

We at St. Francis Institute of Management and Research, the college administration and teachers have left no stone unturned to complete the sessions through online mode. Entire teaching fraternity and student community decided to adjust and adapt to the new situations. Above all the focus was to create an ecosystem to keep a positive attitude and remain productive more and more. Thus, a stable mind can become creative, innovative and enterprising. Students were inducted into the experiential and contemporary innovations which were on the rise during the time of pandemic Covid-19. The sessions were conducted through webinars by eminent professionals from the field.

AICTE, ASSOCHAM, BCCI, IMC, CII and many other forums and organizations supported us with knowledge sharing, providing up-skilling opportunities for teachers and students, availing of e-newspaper, Central and State Government advisories, and SOP's etc. All the information was filtered and shared with students for their overall learning, good health and wellbeing. The students could understand the current status of economy and industry as well as the policies of the Government and Reserve Bank of India. It has helped us to keep up the momentum for upward mobility, towards facilitating students to experience a new way of doing 'Summer Internship' efficiently from home. The training and placement department toiled hard to connect the students with Industries. Apart from that all our final year passing out students have succeeded to get good placement opportunities in top industries.

We are privileged to accompany brilliant students year to year on their career path as they are capable of achieving national and international placements. We are immensely grateful to our Industry partners and our Institute's Alumni for their wholehearted support to our management professionals, thus to our Institute and nation.

More than ever we rely now on your steadfast support of absorbing our students of Batch 2019-2021 in your establishments. They are well equipped to take forward their respective assignments in the spirit of "Atmanirbhar Bharat". May God bless you!

From the Desk of the **DIRECTOR**

Prof. Dr. D. Henry
Director SFIMAR

It gives me immense pleasure to introduce our students to the corporate world from one of the most reputed Management Institutes of Mumbai, a part of 'The Society of the Congregation of Franciscan Brothers' whose history goes back to 1901. Established in 2002, the institute has been catering the needs of students, corporate, and society by imparting quality education in the field of Business Management.

St. Francis Institute of Management and Research (SFIMAR) is recognized as a leading post-graduate Centre of management studies and one of the best institutions in the region for its excellence in the realm of higher education. We feel highly delighted in sharing that SFIMAR has been awarded as "Top Private Educational Institutions in India 2019" by Business Connect. Further, in its pursuit of achieving international level of excellence, SFIMAR is accredited by NAAC with 'A' grade, and ISO 9001:2015 Certified by DNV (Det Norske Veritas), which is a testimony to the quality of educational experience offered to the future managers.

SFIMAR believes in the overall development of students, and thereby offer many Personality Development Programmes and Certification Programmes such as Advance Excel, NISM certification course on Equity and Investment trading, Certification in Alternate Investment Industry (CAII), Digital Marketing, GST etc. are also offered to students to improve their knowledge and employment prospects. Active and committed Placement team assists students in training and achieving quality placements through above programmes. It has an enviable track record of almost 100% placement for the past several years. CMC members are in constant touch with industries for the training and placement of our students.

Today, in the unprecedented times challenges are faced for everyone – right from students to professionals, and employers. While students are worried about how they will land their dream jobs, employers are worried about finding the right talent during the lockdown. To meet all these requirements, SFIMAR's preparation for placements during the lockdown situation is different. Career Management Centre (CMC) team has pulled up their socks and thought of unique ways to train and prepare students during pandemic with the help of technology.

All our passed-out graduates are serving the industry with distinction, and I am sure our recruiters shall find present students too very competent.

We look forward for fruitful & lasting relationship with our esteemed recruiters.

From the Desk of the **MCRP**

Sangeeta Varma
Manager,
Corporate Relations & Placement (MCRP)

Dear Industry Partner,

It is a matter of great pride and privilege to invite you to partner with us and make our students of Batch 2021, a part of your organisation's development process.

We are happy to share that during this pandemic too the students of Batch 2020 succeeded in bagging final placement in companies of repute, achieving higher remunerations as compared to the previous years. The students of Batch 2021 were privileged to get 175 'Work from Home' corporate projects for their summer internship. We thank our recruiters for believing in SFIMAR and strengthening the bond of trust year by year.

To meet up the pandemic challenges, the Institute is more rigorously working on the capability-building of our students by giving them relevant training, so that they are productive even working remotely. Student Skill Development Programme (SSDP) is the most desired offering of the institute that brings tailor-made training programmes and certifications to the students.

Career Management Centre (CMC) hosts a unique program for the interested industry partners i.e. 'Corporate Onboarding'. Through this programme, students are apprised of organization culture and required skills for the company-specific job profiles. Students are then assigned projects which are executed as on-the-job training to imbibe a sense of task ownership and responsibility. The students are equipped to become effective organizational members when they join and they learn to innovate and think critically for better business solutions and efficient use of resources, resulting in higher and sustainable productivity.

The benefits of Corporate Onboarding Programme are higher job satisfaction, better job performance and greater organizational commitment for employees leading to low attrition rates for employers. We cordially invite companies that are interested in beginning this unique programme with SFIMAR!

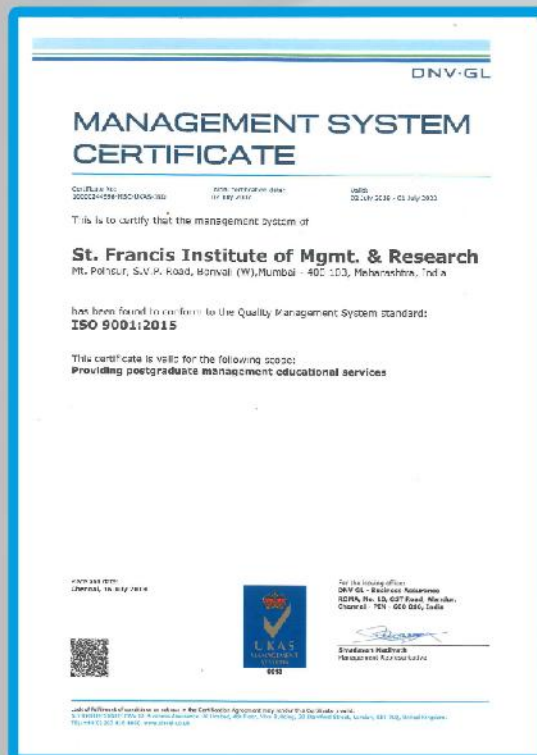

CMC assists corporate in identifying and connecting them with the right talent digitally while at the same time helping students identify and match their interests & abilities and honing their skill-sets to meet job-specific opportunities.

SFIMAR brings you the professionals, with a varied talent pool and we trust that they will more than meet your expectations.

SFIMAR talent you recruit today will surely be an asset to your organization tomorrow!

Career Management Centre (CMC)

The Career Management Centre (CMC) is the liaison between our highly diverse talent pool of students, alumni and employers who benefit from their expertise.

CMC helps recruiting companies for their promotion on the campus and handles the entire placement process. CMC assists companies by providing the following services:

- In-campus Corporate Presentations
- Display of Promotional material
- Online Tests
- Screening of students
- In-campus selection Process
- Corporate On-boarding
- Live Projects
- Internship & Consulting

To Our Patrons

If you are looking to recruit:

Tap into SFIMAR's world-class talent pool. Recruit high-caliber personnel for employment, or short/long-term assignments and Live projects. SFIMAR graduates can provide the outstanding global business capabilities, diversity, international outlook and professional experience that will make a real difference to your business.

Career Management Centre (CMC) -

CMC is your "one-stop shop" for all of your recruiting needs. We are dedicated to serve the specific needs of recruiters searching for the future leadership of their organizations. In order to reach out and communicate with the students and in turn to increase your visibility on our campus, you can explore the following methods: -

Promotional Tuesday & Saturday -

Companies are welcome to visit SFIMAR campus prior to their actual recruitment process, to promote their company through corporate presentation, thus sharing information about the company, job

opportunities, required skillset & selection process. This will be beneficial to both the company as well as the students in taking right decisions. Book a day & time slot today with us for final & summer placement.

Distributing Published Material -

Company brochures, pamphlets and other published material are an effectual way of disseminating information about the company. Such matters can be sent to the placement office for distribution amongst the students.

Guest Talks -

The company can build presence on the campus by having its senior representatives interact with the students through guest lectures and seminars on various topics.

For confirming the promotional dates and to know more about the recruitment and internship process please contact the CMC staff or write to us at placements@sfimar.org
