COMPANY PROFILE

Vardhan Consulting Engineers (“VCE”) is a pioneer organization to fulfill the current generation needs of students and companies. It is founded by group of Engineers with strong economic background who has management experience working with many companies all over the world. They offer engineering and management consultancy services for infrastructure projects.

VCE provides solutions to complex problems of clients. VCE have different business and different sources of revenue such as Engineering and Management Consulting, Importing and Branding Pearl Jewelry, Stock Market and Cross-Currency Trading and Insurance and Investment Advisory. VCE believes in Society Pay Back hence provide scholarship, internship and training for free to students. This is not their CSR activity there are other reasons which makes them do this for the betterment of the society and students. Our mentor and CEO Ashish S Kumar and HR Consultant Neha Kumari has helped me to complete the corporate project. VCE provides Corporate Skill Development (CSD) program to improve the skill of students. This helps to survive, sustain and grow in the organization.

To Whomsoever it may Concern

This is to certify that Mr. Allison Pereira worked at Jedigital as an Intern in the role of Social Media Analyst during the period of 18th May 2020 to 17th July 2020.

Listed below are his key roles and responsibilities:

- Plan and Execute Social Media Marketing strategy for a new Digital Marketing agency and to be launched Online Career Portal
- Build Social Media agency templates and client documentation
- Grow and expand company social media presence on platforms including Facebook, LinkedIn, Twitter, and Instagram
- Research and monitor activities of company competitors using company provided tools and techniques
- Create and distribute engaging written or graphic content in the form of e-newsletters, video and blog content and social media messages

Allison has shown initiative that's necessary for successful implementation of the projects and tasks he was assigned to. He has excellent skills in content research and presentation. He is willing to learn new tools, is proactive and has excellent work ethics.

If you have any further questions concerning his internship work experience, please reach out to me via e-mail at swithin@jedigital.com

Sincerely,
